## River City Ministry

is a 501c3, faith-based, human-service organization dedicated to serving the underprivileged since its beginning in 1989.

In 2009 RCM provided food to approximately 23,000 individuals through hot meals, and to 13,000 persons through the food pantry, provided clothing to 3000, medical care to 1500 uninsured patients, vision care to 180, and social services to approximately 2,000 individuals.
